BIOGRAPHIES AND ADDITIONAL WORK ON VIEW AT
www.contemporaryandcountry.com

We are holding a series of Viewing Room events throughout 2025 and into 2026. Our intention is to provide an opportunity to see new work in an intimate space without the distractions of the larger group exhibitions we also create from time to time.

Depending upon the calendar, we will also arrange for the artists and makers to be available to talk to visitors about what they do. This will be on a first come, first served basis, as we cannot cater for larger group visits. Leave your name and contact details if you are interested to be the first to know when these events will take place.
